

# Cloth dispenser 280 D150

**Product number** X-8030

**Weight** 0.388kg

## Product description

Clean solution! Keep your workplace tidy at all times with the 280 D150 cloth dispenser. The dispenser is designed for cleaning cloth rolls with a diameter of up to 150 mm, so you can remove liquids and dirt in no time at all. The integrated tear-off edge makes it easy to tear off the perforated paper towels. Changing the rolls is also quick and uncomplicated.

## Product properties
