

Lightweight Board Con Pearl 9,9 mm Ral 7046, grey

Product number F0406 SN

Weight 11.04kg

Product description

Optimum coverage with minimum weight.

Con-Pearl® twin-wall sheets are the perfect surface element for weight-optimised assemblies.

The sandwich construction makes them inherently stable and very resistant to bending.

Delivery unit 2300 x 1600 mm

Product properties

Delivery unit Plates

Colour grey
